“Debbie and my daughter enjoyed so many childhood activities together when we moved into the neighborhood in 1966. Memories of those days linger in the mind ...and bring only good feelings at this time of sadness for her family. Let the healing begin. Betty Marlow

“Debbie was my best friend in high school. She was fun loving, hard working and full of love. I am saddened by her untimely death and share condolences with her entire family~but especially her mom who I knew growing up. Kenwood Class of '75 lost another member of our “family”.

“To the Family of Mrs. Deborah Salamone,

"Remembering Ms. Debi,"

Ms. Debi was an excellent teacher. She provided her students with an excellent learning environment and the learning experiences they needed in order to excel in their schoolwork.

Her classroom was always so bright and inviting. This in itself was an encouragement to her students to do well.

She truly helped my son Kobe Hall to excel in his studies and gain the experience and confidence he needed to be an exceptional student. Our family will always be eternally grateful for that.

Ms. Debi always said, "whatever you need, I'll be there to help you with", and she was.

Ms. Debi, you will truly be missed. You were always, a truly exceptional human being and teacher, and for that, we parents and students are eternally thankful.

Our thoughts and prayers are with Ms. Deb's family. We will keep you in our prayers and we thank you for the gift of Ms. Debi to us.

And to Ms. Debi, Rest in peace.

You will never be forgotten.

Love,

The Hall Family (Kobe, Chandra and Kevin)
