

## Mrs. Edith M "Sis" Lowry

April 6, 1923 - August 29, 2019

Edith M "Sis" Lowry passed away Thursday August 29 following a brief illness. Born in Baltimore in 1923 Sis was the vibrant and outgoing daughter of William and Ella Madden. The youngest of three children and the apple of her father's eye, she thoroughly enjoyed a childhood playing jacks on the marble steps of their row house, roller skating around the neighborhood or just giggling with her many girlfriends. During a walk in the rain on a Sunday afternoon she offered to share her umbrella with a young man whose suit was about to become soaked...this young man would become the love of her life and in 1944 she married her adoring late husband Raymond Lowry.

Sis loved football, the theater and gardening. She was a masterful seamstress, fearless cook and had a wonderful ability to tell the stories of her childhood with a blend of sentiment and humor. She will always be remembered for her boundless laughter, love of all creatures and her huge heart.

She was the beloved sister of the late Neilson Madden and dear aunt of the late Thomas Madden, Carole Turner (Richard), Jane Elizer (Mark) and Anne Graziosi (Paul) and grandniece Elizabeth Sheldon(Matt). She will be greatly missed by her many friends and neighbors especially the Nielson family, Kaffl family, extended Lowry family and lifelong friend Diane. As well, she will be fondly remembered by her friends at Stella Maris.

As a tribute to her lifetime of caring for animals, especially fostering the old, unwanted and infirmed please consider a donation in her honor to the Fallston Animal Rescue Movement.
