

Mr. John C. Porter Sr.

January 26, 1950 - May 3, 2018

John C. Porter, Sr., 68, died in the early morning hours of May 3rd, 2018 at his home in Parkton. He had been in very poor health for several years. John was extremely proud of his three sons and is survived by, John Jr. (Alysa), Trevor (Julie), and Patrick. He is also survived by his

longtime partner, Suzanne Barton, mother Nona, sisters Patricia Kaiser (Steve), Malinda Donovan (Kathy), and Andrea Myles-Hunkin, brother Andy (Kathryn), and four grandchildren. John was preceded in death by his father, Raughley L. Porter.

John grew up in Baltimore and graduated from the Boys' Latin School in 1969. He lettered in football and lacrosse. He attended Washington and Jefferson College (PA) and ultimately graduated from the University of Baltimore. He had a lifelong love of horses and polo, and for a long time, even after his riding days, he kept two horses as pets. He rarely missed local horse races, the Grand National Steeplechase, and the Hunt Cup.

John's career was in property management. This fit him perfectly as he loved dealing with people and apparently being on the phone. He treated people with respect and often interjected humor into whatever he was saying. John had served as president of the local Building Owners and Managers Association (BOMA). When finishing a speech at a BOMA conference in California, John concluded with "Come to Baltimore and Get Crabs". John was tickled he got several 100's of people laughing.

His family and many "book club" friends loved him dearly and will greatly miss him and his wonderful, infectious personality.

“ I just heard about my old friend John. We were friends in College. I have been looking for a relative or old friend to learn more. I only have positive memories of John. I saw him several years ago, meeting Suzanne. We spoke on the phone after that but lost touch. He was truly special.

“ I choose to remember John as I met him: as a handsome, athletic 15 year-old, always surrounded by friends and cute girls—often at our dinner table. He was a kind and loving brother, never failing to enjoy family news and accomplishments. September and Mother’s Day will not be the same without his cards and flowers for me, his mom.

“ A more generous spirit I have not known. His affection was a balm for the hurts of life, because it was always genuine. I miss him.

“ My son, Michael, interned at JC Porter Construction a couple of summers ago Sr, took him under his wing and visa versa. Michael would come with giggles from their moments together. Good memories from a heartfelt man. He will be missed !
