“ You are all in my thoughts today, especially right now, during the service. I am there with you in spirit.
Joseph Nelson St. Clair, my Uncle Joe, my Godfather... is a truly wonderful man. Thank you for having the kindest heart, and promising to ensure that I grow up in faith and love at my Baptism. Thank you for the wonderful family you raised with my beautiful Aunt Rosemary; they are such a great part of my life...with your middle child being one of my closest friends. I am sure that you are with God in Heaven now, looking down on the many family and friends honoring you today. Love you always,
Cristy

“ A number of fond thoughts of Joe come to mind. One that stands out happened when I was about twelve years old. Joe and Jim Prahme picked me up one cold, snowy Sunday afternoon and took me to Memorial Stadium for my first Baltimore Colt's game. We froze in the upper deck, but I was so excited for the opportunity. God Bless! Jerry Lotz

“ Dear Rosemary and family,
Barbara and I are so saddened to hear of Joe's passing. I have so many fond memories of us growing up and playing together at Nannie's. Then when he met his lovely bride and I got to be part of your wedding ceremony. I'm so thankful that Joe and I reconnected after so many years, even if only through Christmas cards. It was always fun to hear about his beloved family.
Our thoughts and prayers are with you all.

Love,
Nelson ("Putch") and Barbara Keech
