“ It is with immense sorrow and sadness that my family and I grieve the passing of our dear friend Miss Priscilla (Miss "P" as she was affectionately known to us). Miss P gave my daughter Mia, and son Cory their very first job in life walking her dog Sparky. It initially started as job but quickly became a labor of love for the whole family. Mia and Cory fell in love with Sparky and Miss P, and likewise she fell in love with them. Over the years we all became family and looked out for one another. My wife (Sharrisse) and I stand forever grateful to Miss P for helping give our kids two of the most treasured gifts in the lessons of life - that being responsibility and knowing the value and dignity of working hard for whatever you want. We already miss you Miss P more than you could ever imagine. We trust and believe in our Lord and Savior Jesus Christ that you are peacefully at rest in heaven and that God has spoken the words "Well done my good and faithful servant" to you. Every night as we were about to walk out of the door of her home after walking Sparky she would faithfully utter the words "Love you guys!"...and we in return "Love you too Miss P!" ...and so we all say again with so much sadness upon our hearts "Love you too Miss P!"

With all our Love!

“ Ms. Priscilla, we first met about 5 years when my kids started walking sparky and it ended with us being the Best of Friends. I am going to miss our talks, the laughs that we share, our weekly ice cream treats and the times that we just in sat in silence. You meant the world to me and I miss you dearly. Your last words to me were, "I love you honey" and I said I love you too. If I knew that was going to be the last time that I saw you, I would have never left your side. Although my heart is broken, I know you are no longer in pain. Rest is paradise Ms. Priscilla!! I love you and I will cherish our memories forever!!

Until meet again!
Sharrisse
