“ Although we never had the pleasure of meeting Mr. Devilbiss personally, we feel like we have a little knowledge of the lovely human being he was from meeting some of his family, Rick and Nancy last year.

Thank you for posting some photos and videos that we can share in your precious memories of him.

Again our sincere deepest condolences to Rick, Nancy and Family, may God bless.

“ I felt very welcomed by Dick as his grandson's partner, then husband. He was very kind and warm toward me and made me feel like a member of the family. I wish I could have gotten to know him better and will cherish the few opportunities I had.

“ Dick was a fun and loving and carefree grandfather. He treated me like an adult, even when I wasn't, but never judged or cared if I felt or acted like a kid, especially when I was one. He always wanted to stay current, checking out the latest tech, and was always happy to take a selfie with me. I think he'd like that we can share our memories and moments here to commemorate his life. And, I hope he gets to rest in eternal peace with his family and friends, human and furry alike.

Dick, I love you and will miss you. <3
