“ I used to share the stage with Bob when we performed with the Philharmonia Orchestra and other bands as well. I also shared the stage with his wife Patty and the Shades of Blue Orchestra. Bob was a great guy. Great musician. Always congenial and dedicated. I'm so sorry to learn of his passing. My condolences to Patty and his family.

“ It has been my honor to know Bob for the past 40 years or so and a deeper honor to have had Bob sing the Ave Marie at my wedding almost 34 years ago from the Balcony of Saint Matthews Church. To this day it is the best version i've ever heard. It's been an honor to work with Bob on creating a Cub Scout Troop and also to see Bob at soccer games, at Loch Raven High and the pool, and at the kids swim meets. Bob you will be remembered as always a true gentlemen and for always smiling and having a kind word. Lastly I would say Bob is truly a good christian man. I believe that the good lord needed a lead singer in his choral of angels so Bob was called, probably heard that Ave Maria and wanted to hear it live. Bob, you will be missed. “ Bob was the bassist to my band, the "Reisterstown Jazz Ensemble". I have known him for over 15 years now, and it's been an honor to play and work with him. He was very kind and generous man who was always there when I needed him. A good friend just to talk to and when you needed ride home. Me and my band will miss his talent, personality and wit. This is so sad to say good bye.

“ Bob was such a kind and loving person, after so many years that I've been away from St. Matthew's I still think of him with great fondness and appreciation for how he used his talent to share his faith. He was a gift to many. My deepest sympathy to Patti and family, and prayers for all.

“ "How lucky we are to have something, that makes saying good-bye, so hard." Winnie the Pooh.

Bob has always embodied the spirit of Pooh with his gentleness, kindness and ability to always say the right thing to always lift you up, make you feel better and get you on your way without ever making you feel judged or anything less than loved. I will always be able to hear him singing in my heart and in my mind. Piglet: will we be friends forever?"

Pooh: "ever longer, even longer". Thank you brother for showing me how I am to live my life, with my arms outreaching, a smile on my face and love in my heart. Go and be at peace, it's time to Return to Pooh Corner.

“ Bob was a constant in my life, growing up in the theater. I will never forget when I got laryngitis a week before we opened in "Let's Go to the Movies" and I was supposed to sing The Rainbow Connection. Bob grabbed his Kermit the frog puppet and made it a duet so he could help if my voice went. He will always be my Kermit. I so wish there was a recording of that show so that I could relive that memory. Sending love and prayers to his family. Heaven just got an amazing new music director but they got him much too soon!
