“ *My husband and I started dating because we were both in Mr. Rochforts class. Mr. Rochfort would always tease my husband that he needed to face him even though he wasn't as good looking. Lol. He was always bright, cheerful and kept us interested. I am glad I got to see him last year and tell him we got married and show him pictures of our kids. He was a great teacher and person! RIP Mr. Rochfort.*

“ Our condolences and sympathy on the loss of Tommy. I had the highest respect having him come and comfort us after my brother Bill's funeral in 2005 and my mother Mary's funeral in 2006. He easily demonstrated his love for a family connection. I am glad Mary Carole will be there to represent the family and I am sorry I could not do the same. Bob and I sent a spray of flowers that should be there 8/28 for the wake. Love Michael Flannery MD
