“ Al and I have been friends for 60 years. We met at Trinity Assembly of God church and served on the board together for almost 30 years. During these many years, I found Al to be a man of integrity, honesty, kindness, and a true man of God. In our retired years we started playing Golf together until his illness prevented him to play. Bev and I want to offer our condolences to the entire family in this time of sorrow and that our prayers are with you! We know that we will rejoice with him in Heaven someday

I was a good friend of Al's for 41 years since he interviewed me for my job at Teledyne energy systems. We worked closely together, spent thousands of hours together and in the 70's and 80's especially took 45 minute lunchtime walks together discussing every topic under the sun. He was brilliant, kind, God loving and passionate. He was a very special person to many, and especially to me. I will miss him. My most heartfelt condolences to his family and friends.

I miss you so badly Daddy. I miss your sweet demeanor, you always made me laugh. You would hold my face and greet me with a hug every morning. With my twin Nicole, you would say a very cute, "Good morning girls". Then as we turned 18 you would say, "Good morning ladies". Remember Dad, we wanted to grow up and be independent. You taught me how to cook, clean, take care of the house. You taught us to be kind to people. I miss you Daddy. Yes, brilliant, kind, God loving and passionate about life. Family vacations and summer pool in the community were the best my very loved father. My husband Brett reminds me a lot of you Dad! I think about you daily! I know you can see me. I love you!!!! I can't wait to see you again! You will be radiant and your body so whole again. You are never to suffer again! Love, your little Rebecca!

“ I love you Dad! You taught me to use my intillect and to love God with all of my heart. You suffered so with progressive supranuclear palsy. You didn't complain once. Even at the end of your illness when you could barely move, you prayed for everyone you knew three times daily. So humble and loving. I miss you so much it hurts!

I first met Al when he interviewed me for a job at Teledyne In 1974. Leaving the interview I knew I had the job. Al was my first supervisor there and taught me a lot. He quickly became a mentor, teacher and most of all a good friend. We spent literally many thousands of hours together at work and during the 1970's and 1980s took lunchtime walks discussing many numerous topics. By the time he retired in 2007, roles had reversed a bit in that I was his supervisor, but he still had all the answers. Al was such a true Christian and role model for us all. He was one of the most special people in my life. I was blessed to know him for so long and to consider him a great friend. I will always pray for Al and his family. He is and was a great man. I have so many treasured memories!
