“ *What a dedicated Board Member and friend to Tuerk House! He was a class act! May you rest in peace Hill!* ”

“ *I had the pleasure of working with “ Hillboy” for 35 years at RCM&D ,where We became friends. I enjoyed the endless stories from his past. He had many friends of all generations, many of whom were nearly as engaging as he. He was always classically dressed for business, golf, hunting ,and many social events. Because he was human, he had his demons which he faced and overcame. His stories referenced his attendance at several schools in his youth, but he ultimately was the epitome of “Old School”. I will miss his zest for life, humor, and friendship.* ”

“ *What a class act Hill was. A very compassionate and kind-hearted gentle soul, Hill was a great advocate for the Tuerk House, Inc. His advocacy for patients struggling with disease of addiction was simply unmatched. Rest well my friend. You will be sorely missed.*

“ *Hill was a good man. Always a joy to be around. Fun to play golf with even when he couldn't make a putt. Most importantly, he was interested in others. Ready to help those who needed help. Willing to show the right steps to take to those who had lost their way. Rest in Peace my friend*
