“ I got to know Ajax when she lived in Ursa Minor at Wohelo and my granddaughter Natalie lived in North Star. Ajax took a special interest in Natalie and often told me how much she loved watching her dance. In return, Natalie regarded Ajax as her camp grandmother. I loved Ajax's wonderful smile, her love of Wohelo and nature, her knitting talent, and her friendship to both Natalie and me.

“ Ajax was such a wonderful addition to the Wohelo Community. Everything she did seemed to make our world here better. Always helping, teaching, (and cleaning:) with a great smile and attitude. Camp is what it is because of women like her.

“ Ajax is a role model for me as someone who had a never ending curiosity for nature. She was always enthusiastic about her time spent at Wohelo and her love and loyalty to the Wohelo and the campers and counselors was admirable. I never saw her with anything but a smile on her face as she walked the trails in the early morning hours looking and listening for birds. I would often hear her walking past my cabin before six am and I was so impressed. Wohelo will miss you Ajax.

“ *Ajax was my first “Best Friend” and she held that title for 78 years.
We will all miss her.*
