“ I met Skip when I was 12 years old and our family moved into the house next to his. I feel like I grew up with him. At one time we were more than friends, and stayed friends even after no longer being girlfriend-boyfriend. I married and didn't see him but just a few times after. This is so shocking to me. I am just seeing this and it's been over 2 years since his passing. My condolences to Jannette and the rest of his family.

“ Skip will be missed. I've known Skip since 1982 and enjoyed working with him through the years. My husband Bob also had the pleasure of working with Skip when he came back to Verizon as a Safety Coordinator contractor for FiOS. He was always fun to be around and always had a good joke and a big smile. RIP Skip. My deepest condolences to his family.
