“ It is with a heavy heart that we say goodbye to our dear friend Rick Gambo. We met 15 years ago when he videotaped our dance recital and we became fast friends. Since that time we have counted on him to provide our dance school families with memories of their child’s performances. We always looked forward to his coming to our shows and made sure we had one of his favorite desserts, homemade bread pudding. We will miss our cherished friend but we rejoice in his transition to join our Lord and his beloved wife, Fran. We offer our sincere condolences to his family and friends.

“ *I knew both Ric and John from Junior High. John was in my homeroom and Ric was younger and in the same school in a lower grade.*

*As a person who loves old cars, Ric and I revisited our friendship at various car shows throughout Maryland for the last twenty or so years. Ric's son John was always with his Dad and shared his love of automobiles.*

*The old car hobby and its participants will surely miss him.*

*To the family, please accept our sincere sympathy on his passing.*

“ Thank you, Mr. Gambo, for truly giving us a lasting memory of K of C Stations of the Cross. Your DVD captured the reverence and passion with which our youth prays and works under the guidance of good people. May He hold your family close during this difficult time. Coleen Mirgan and family.
