“ Gary and Rick -

My parents and I just heard about your dad today...he and I would see each other often when he was visiting my parents, He was a dear and faithful friend. I will always remember weeks at the beach playing miniature golf in the Shorelea and the Alnor, baseball in the vacant lot across the street, riding the waves on canvas rafts, playing base runners. Not to mention New Years Eve jaunts to a James Bond movie before we rung in the new year. And watching fireworks on the front lawn of Windemere Avenue. I am so sorry for your loss and I'm so happy knowing he is reunited with Miss Gen.

“ After knowing Rich for over 25 years, we will miss him. We have had many conversations about knee replacements and the Orioles and Ravens. Of course, he had many comments about how the Syracuse Orange seemed to beat the Maryland Terps in multiple sports.

“ *I was very fortunate to meet Dick through a mutual friend many years ago.
He was a very kind gentle soul , and a man of great morals and values.
I always enjoyed his " pop in " visits , and loved the stories he always had to tell from his travels.
I was shocked and extremely saddened to hear of his passing , although i know there is someone in Heaven who was happily waiting to greet him with open arms...
My thoughts and prayers to all of his family and many friends....
God bless you my friend, we will miss you a lot !*
