“ Dear McGrath family ..I Rhonda Thorpe was so sad to hear about Tony. Tony dated my mom Alice for several years until her passing. I and my family deeply cared for Tony... he was so good to my mother. Tony was so witty and such a good conversationalistI love and charished the time we spent together...one fond memory of Tony...is how he loved to take home my moms leftovers.. I would always fuss with him..telling him the doggie bag was for my moms dog....he would snatch the doggie bag from my hand and give me a smile..I truly loved Tony and just wish I would have told him when he was alive...Rest in peace my friend..Rhonda
