

Ms Barbara Turnbull Davis

August 18, 1943 - August 18, 2023

Barbara Turnbull Davis of Sparks, Maryland passed away August 18, 2023, at the age of 80 years old.

Born and raised in Baltimore County, MD, Barbara graduated from Friends School of Baltimore. After a long career in office administration, which included a period at the Attorney General's Office of the State of Maryland, she ultimately retired from a position at Office Markdowns Furniture in Hunt Valley, MD. Possessing a great love of animals, she was active with Akita Rescue Mid-Atlantic, and would offer help whenever possible to other area animal rescues. This led to adopting and giving a wonderful, loving home to many dogs and cats over the years.

A lifetime horse enthusiast, Barbara passed on this joy to her son and loved watching and discussing racing events with him. After retiring, Barbara loved to pass the time relaxing on her porch while watching the deer and other wildlife that would visit her each day in the yard that she referred to as her personal park. Skilled at quilt making, knitting, and crochet, she enjoyed making blankets to give to loved ones, and donated many to various organizations.

She is survived by her sisters, Patsy Sunderland of Dahlonga, GA, and Sally Williams of Towson, MD; her loving son Ronald L. Davis and his wife Candace; cherished granddaughters, Cassandra and Katherine Davis; and

many nieces and nephews.

In lieu of flowers, the family is requesting donations be made to Akita Rescue Mid-Atlantic Coast, Inc. (ARMAC) or the Hospice program at Stella Maris, Timonium, MD.

A celebration of life will be announced to friends and family at a later date.

“ I'm Johns wife Stephanie. She was the light on the hill, literally. Her house sat above ours on the hill our back and so we share the love of the valley and nature in our surroundings. She also loved dogs, and gave us some of the best advice when training ours. She had such a beautiful spirit, and was kind to all of us. She was disabled so her freedom in mobility was getting around on her tractor. She would often ride down Belfast to say hi or share a purchase of apples or peaches she had picked up from market. Always giving to other, she was involved with dog and cat rescue and she was an avid knitter who donated blankets and hats for babies. Barb loved living in the valley and watching nature. Surrounded by horses, fox, dogs and cats, she found peace in simple things and genuinely cared about others. We would help out from time to time, but Barb was a sturdy woman who liked being independent, and it goes without saying she always did things her way! She will be remembered for her smile, robust personality and lover of animals. To this day, I still here her voice late at night calling home the kitties before she headed off to sleep. Lots of wonderful memories.

“ Barbara was a lovely and kind woman. She was out neighbor and I'll always remember her fondness for and expertise with dogs. I recent years Barbara would drive her lawn tractor to visit with her neighbors. I'll miss seeing her, and my condolences to her family.
