“ So sorry to know of her passing. What a great family she and Kent created. So many fun times in those high school years hanging out with the Rayburn family.

Barbara would always introduce us teenagers to all their guests at their Baltimore and beach social gatherings and family events. She always had a genuineness about her and always remembered all of the details of our lives. She was a wonderful friend and could laugh with any of us over anything.

Barb lives on forever in our thoughts and in our own interactions.
