“ *Beth, Thank you and Bart for all the wonderful memories at your house that you both created for us. Thank you for opening up your home to teenagers who ate all your food, drank your soda, swam in your pool, watched movies on a big screen and wished their house was as wonderful as yours. You & Bart made your home a place where everyone wanted to come over and join in the fun. Bart, aka, grillmaster Big Cheese, will be missed. Kim, You are an amazing daughter whose strength, compassion and courage is admirable. We all should be so lucky to have someone love us as much as you loved your dad. Molly Christhilf Finnegan*
