“ *My deepest Condolences. I recall her telling the story of leaving Cuba. She also discussed being a ballerina and dancing even through her pregnancies. Hasta luego Senora Schettini! Gracias!* ”

“ *What a beautiful and gracious lady. She seemed always so positive; her smile truly lit up a room. Mom and I were sharing memories of the old days and acknowledging Belen's many accomplishments, especially the exceptional family she nurtured throughout her life. With much love and concern for all, Kiki and Olga* ”

“ *She had one of the best smiles. I always loved saying hi to her and speaking my very terrible Spanish, she would just smile and pat my hand and give me a little giggle.* ”

“ Although she was incredibly accomplished as an Opera Singer, Gymnast, Miss Institute, 2 Masters degrees, Spearheading the smuggling of our family jewels out of Cuba, etc., what is most special about mom is what she gave Liz and me as well as many of our cousins. She was a great wife and she and my dad were a perfect match! Always positive and upbeat, she was an inspiration to us and her calm, honest, and loving nature was infectious. She will always be our refined, special Princess.

She faced incredible challenges in life, including loss of her twin sister, loss of twin boys, starting over in the US with nothing and not willing to accept Welfare or Food Stamps, family challenges (doesn't everyone?), being with my dad every single day through his ordeal with dementia and then Alzheimer's, discrimination in the work force, and yet, there was mom, always with a smile and ready to sing for all of us! Amazing woman!!

We will miss you physically, but you will always be with us!

Love,

Frank
