“ I have very fond memories of Aunt Betty. Loved her smile and zeal for life. She was a Lady and strong. So sorry for our loss. May her soul rest in peace and perpetual light always shine upon her. Let her spirit soar! 🤍🤍🙏

“ I will cherish many of my memories of Aunt Betty. The one thing I will never forget is her love for violets. As long as I can remember, she always had violets in her house. All different colors. They were so beautiful. She shared with me that violets need a lot of love and care. She would go on telling me how to care for the violets. Every time I saw a healthy bright violet, I would think of her. Now more than ever, I will think of her when I see a violet and say a prayer.

God's Garden:

*God looked around His garden and found an empty place
He then looked down upon the earth and saw your tired face
He put His arms around you and lifted you to rest
God's garden must be beautiful He always takes the best
He said the road was getting rough and the hills were hard to climb
so
He closed your weary eyelids and whispered, "Peace be thine"
It broke our hearts to lose you but you didn't go alone
for parts of us went with you the day God called you home.*

Rest and Peace to all,

Teresa, Paul, Ben and Matt
