“ I will never forget how exciting it was to have you Morran, Gregory and Gary visit us from Kinnngston in Mandeville during the holidays. You were full of life, considerate and kind to us. We loved having you around and every day was special in the time you spent with us. You taught us girls to be confident and bold. Your intelligence and intellect inspired me to read books and learn new things from an early age. Your Christmas cakes and dinners were always the best. Most of all I loved how you loved your children we could see how proud you were of them and loved them and it was a running joke in the family how much you bragged about (lol) I have a smile on my face just thinking about that now. You have fought a long and hard battle, with so many disappointments and obstacles in the way, yet you never gave up. You were a champion, and you will be remembered as one of my Heros. Sleep in restful sleep, my beloved Miss Bev. You will always be in my heart. Gracey...
