“ When someone you love becomes a memory, the memory becomes a treasure. May the wonderful treasures of Brenda fill your hearts with love and bring you peace. I am a co-worker of Brenda and I have so many fond memories of her greeting me when I came to work and saying good-bye and reminding me to be careful. So many conversations of past movies and traveling. My thoughts and prayers are with the entire family and all who knew and loved Brenda.

I was so sorry to hear about Brenda. I am at a loss of words for what to say to console or offer comfort. Brenda always talked so proudly about her daughters. She loved her husband, her daughters and her extended family. It was so obvious how close you were. She talked about the vacations the family went on and how much fun they were. I worked with Brenda. She was very good with her clients and so pleasant with everyone. I will remember her for her kindness. Please know that your family are in my thoughts and prayers. Brenda will continue to live in our hearts. Please accept my condolences and know that I am thinking of you. Robin Johnson
