“ Brooke and I have been friends for over 25 yrs. We started up in Hartford Co when we were both from out of town. Became friends in the Newcomers Group and even worked together for Crazy Mointain. Then we moved south to Baltimore and became neighbors once again. Between art classes, lunch dates and trips to the beach we stayed friends. So much we still had to do. Will miss her every day.

Love you
Joanne

“ Brooke was the first friend I made in KG. I will never forget the collection of Beatles pins we had. Our days at Auburn were incredible! I know Jim and her children have beautiful memories that will give them peace over time.

“ A bright star joined the Watson family becoming the bride of our son Jim on a wonderful summer day in Bessemer Alabama. Brooke brought so much joy and laughter into our lives she will always be part of lives each and every day.

One day I met a cute little southern pixie on the tennis court. She was bubbly and made me laugh the first time and every time we played tennis or ate lunch together. Brooke was a good friend and I will miss her and her kindred spirit. 💔

I don't think I laughed more than when I was with Brooke. Her laughter was contagious and no matter what was said, it always felt good to laugh with her. Rita and I were tennis buddies with Jim and Brooke and I will always remember the good times we had on the court and off.
