“ I remember many summers in Avalon NJ with "Uncle Bruce" as we called him. The Westcott family shares in your loss.

“ From Ellen (Wolinsky) Apple: Mary Louise and I were very good friends through junior and senior high school in Steubenville, Ohio. I spent a lot of time at the Watson home in Brady Estates. I now live in Baltimore. I first met Bruce probably 30 years ago at a high school class reunion in Steubenville. He and my husband Jack immediately bonded as outsiders. They quickly became friends with all the "real" graduates and always managed to sneak into the class picture. Bruce was a very easy person to like. My condolences to Mary Louise and all the Foster family. mooapple113@gmail.com

“ Please know that I mourn with you and my deepest sympathy is extended to all the family. I feel truly blessed that many years ago my path in life crossed that of Bruce C. Foster. I have so many great memories that it is best just to say they are blended into one beautiful and perpetual memory. That perpetual memory is one of a truly great guy, a most special friend, and a trusted mentor. Bruce touched me both in a personal and professional way and I'm much better for having known him. His unique sense of humor was extraordinary. I will miss Bruce and our chats more than I can describe. Rest in peace my most wonderful and special friend.
