

## Mr. Bruce Lloyd

June 23, 1932 - October 18, 2023

Bruce Lloyd of Baltimore, Maryland and Santa Cruz, California died peacefully on October 18, 2023, at the age of 91. Mr. Lloyd's upbringing began in Baltimore where he attended Gilman School and his love for Lacrosse was born. He went on to attend Yale University where he was an All-American Lacrosse player. After graduation, he enlisted in the Air Force, became a pilot and met his first wife, Doris Hawes, the mother of his two sons, Kenyon and Jason Lloyd.

Upon completing his tour of duty with the Air Force, Mr. Lloyd moved to California and eventually settled in the oceanside town of Santa Cruz. He was an avid enthusiast of ship and airplane model building, doing crossword puzzles and loved sitting at his oceanside house gazing at the sunsets with his wife, Ramona. Traveling was also a passion of Mr. Lloyd, visiting many countries in Europe as well as occasional cruises to destinations such as Alaska.

Knowing that Baltimore was always his true home, he moved back in 2018 to be near his dear cousins Bruce McPherson and Peggy Hendrick.

He was predeceased by his loving parents, Walter and Helen Lloyd, and his beloved wife, Ramona Lloyd. His surviving sons, Kenyon and Jason Lloyd, his grandchildren, Julia and Lucas, and his first wife Doris Reynolds will miss him

greatly.
