“ I was in Mr. Neutze's gym class at the Sparrows Point Annex in the seventh grade and again at Patapsco High in the tenth grade. He was a great teacher and a positive influence. I was lucky enough to see him a few times over the years after I graduated, and it was always good to catch up with him. My deepest sympathy to his family and friends. He's left me with many fond memories.

“ *During HS I had a troubled home-life. My friends introduced me to the game of lacrosse. Coach Neutze provided structure, encouragement and advice during those difficult times. My heart goes out to his family...God Bless.*

“ So sorry for your loss.  
Now I need to share memories! Roger loved Red pistachios. I would sneak into the TV room and help myself to the tasty treats. Only to be caught with red fingers..... Roger would just laugh. What a great laugh. Then there was the fish store in the basement. Roger raised Angel fish from eggs. All the aquariums were Angel fish at different stages. Instead of a simple fish shop , Roger set up a science experiment. Must have been the teacher in him.  
Now the best comment her ever had for me". Kathy , your turned out very pretty".  
He was comparing me to the buck tooth, skinny, girl with glasses and stringy long hair. Loves his laugh, sense of humor, and pistachios!

*To the Neutze Family*

*He was the wrestling and lacrosse coach when I played at PHS. I wrestled at 133 which was about his weight, so lucky for me I got to wrestle with him. He was not only very strong, but taught me some great moves which made me in to the wrestler I became. He was a tremendous coach, a great guy and taught life lessons beyond the gym of which I am forever grateful.*

*May he Rest In Peace and my condolences to his entire family.*

“ It was an honor to have known Mr. Neutze. He was a teacher, a mentor, and a friend. I spent a lot of time around the Patapsco gymnasium with he, Mr. Conway, and Mr. Antonas. When I went off to college, I thought back to all the help he had given me in high school. I brought him a baseball cap from my college one day to thank him. He was very grateful, I told him don't wear it around those other guys because I didn't get them one. He just laughed. What a great sense of humor he had. I'm sure there are hundreds of stories from kids he helped over the years. My deepest sympathy to his family.
