“ *My fond memory of Mr Calvin Wilhide was his love for his wife. She could do no wrong as far as he was concerned. She would say “Will,” and he works be ready to jump. They were in separable. He guarded her like a mother hen. May the two of them be rejoined together now in the after life. Farrell Mr Will. God be with you in your journey*

Always remember growing up hearing the funny stories and seeing the great times Mr. Will and Mrs. Frannie shared with my parents. He was always a wonderful friend with a great sense of humor that touched us all ☐

My memory of Mr. Calvin was insistance of maintaining his independence and our continual assistance to help him do so. May he rest in peace.

My memory of Calvin Wilhide is from my late wife Nancy who was a school mate to Frannie Wilhide. We received a Christmas card each year from the Wilhide Family and always included pictures of the children and watch them grow up thought the years. Remembering the good times, we shared when the whole gang got together many years ago. My thoughts and prayers are with the Family. Rest in Peace Calvin and God Speed your way back to Frannie.
