

## Mr. Carlos Alberto Selvi

June 25, 1931 - June 22, 2021

Carlos Alberto Selvi of Towson, MD., died peacefully at home surrounded by his family on June 22, 2021, just 3 days short of his 90th birthday. He was born in Buenos Aires, Argentina on June 25th, 1931, where he became a jeweler's apprentice at the very young age of 13. He perfected his craft in his homeland and because he was a visionary man searching for a better life, he migrated to Baltimore, MD in 1968, not knowing a word of English. The following year he brought his wife and children to this country, and much to his children's eye rolling, he encouraged them to speak English even while at home so they could all quickly master the language. He built a successful jewelry business along with his wife and son, where they worked hands-on, side by side. He was very proud of it and of all of his family's goals and achievements, which were inspired by his own relentless hard work and risk taking. Carlos loved this country very much and was forever grateful for all the opportunities he and his family were given here. He was an avid gardener, threw great barbecues, was famous for his sense of humor and practical jokes, loved hot dogs and ice cream, and enjoyed the sound of birds singing outside his window to the very end. He was a patient, kind, giving and loving husband, father, grandfather and great grandfather.

Carlos is survived by his devoted wife Juana with whom he celebrated 70 years of marriage last December, his son Carlos H. Selvi and daughter-in-law Myriam Corradi Kolster, daughter Marta Selvi and her partner R.J Turner,

daughter Alicia Selvi and her husband James R. McGowan, grandchildren Melanie, Tristan and Sofía, and great-grandchildren Gabriel and Natalie. Carlos was predeceased by his grandson Dominic Selvi who is now guiding him in heaven.

“Those we love do not go away, they walk beside us every day. Unseen, unheard, but always near, still loved, still missed and very dear. “

We love you and thank you, Papá.
