“ My condolences to Wally and the members of the Dann (and Anne's extended) family. In all my dealings with Anne over the many decades I have known Wally and her, I have always known her to be among the kindest, gentlest and sharing/caring souls I have ever encountered. Anne was a woman of strong convictions but was always open to a spirited discussion over a good meal and wine. I loved watching the relationship that she and Wally shared-the love they shared was evident. So sorry for the family's loss.
