“*Rod & Family - We have never seen a better example of a loyal and devoted husband than in your dad. The way he stood by your mom up to the end warms our hearts. A great example for us all. I have talked to him across the hedge and at the front door many times over the years. He will be missed but is in a better place now for sure.*

*Chuck & Miriam Trader (former neighbor at 322 but now at 500 Overbrook)*
