“ One thing I will always remember about my Uncle Charlie is that he had a one of a kind personality and character. The kind of person you never forget.
From his strong hand shake to his love of Sinatra he was a very passionate person. I will miss him tremendously. Nephew Guy Hare

“ Dear family and friends, I want to thank you for your love, support, and prayers for peace, for my loving father, and for our family during this difficult time. Although we are all feeling the deep loss of someone who was very special to us, and for each of us in our own personal way, we may also rejoice and celebrate the life my father lived that he so deeply cherished and lived to it's fullest. God bless you all. Peace be with you. Yvonne (Bunny)
