“ My brother Charlie (Chubby) was an inspiration to me. As he was an outstanding football player who received numerous awards for athletics of the game. One of his most prestigious awards was the McCormick award. Which is the the top award given in Baltimore City to a high school football player. He played At City high school. He went on from there to play college football for four years at Juanita College. His love for the game was great. I will miss him as he has moved on with God and he is now at peace. I love you Chubs, your crazy little brother Pat

“ I remember my brother Chub taking me to Orioles game when I was a kid and also worked a couple of years with him when he was the Foreman for Bilgers Landscaping Co. and we also sat together at a few happy hours

Chub was a brother I looked up to as a kid. Chub was a good football player. He went to City College High. He played center for Kirk Schmoke. They played in the Turkey bowl at Memorial Stadium against Poly High School in the late 1960's. Chub won The Unsung Hero Award one year. He taught me the fundamentals of playing football. He loved watching the Ravens play and the Orioles too. I am glad that he is no longer in pain. RIP Chub.

It's hard to say goodbye to you Chub, we still need you around with us. The leader of the pack! I remember you leading the way especially in younger days. I was a shy little girl going to my first day of school at Holy Angels Catholic School, and you took me by the hand as we walked up the street to the bus stop along with brother Paul and sister Nancy. You made sure we all got on the bus, then at school, you walked me to my classroom, where I heard some kids crying for their moms, which frightened me and you promised me I'd be alright and you would be back to pick me up after school, every time I heard a noise in the hall I thought it was you coming to get me out of this scary place, then finally you showed up and I hugged you and was so happy you rescued me, and you said don't get too happy, you have to go back tomorrow and all week... YIKES! So you helped me get there for about 2 weeks until I was confident enough to walk by myself... Thanks Chub. May you and your wife Cheryl rest in God's peace now. We Love and miss you so much, Rock on and Peace Out. Love Rosalie & Leonard
