

## Mrs. Christine Lewis Radebaugh

July 19, 1951 - April 12, 2020

Loving mother and devoted wife Christine Lewis Radebaugh passed away peacefully in her home Easter morning, April 12, 2020.

She is survived by her loving husband, Mark Kankosky; her cherished children, Derek Radebaugh (Stephanie) and Jennifer Ervin (Patrick), and adoring grandchildren, Riley, Anna, Cody, Colt, Taylor, Ryder and Brett.

Kris will always be remembered for her love of life and adventure. She was always willing and ready for a motorcycle ride, repeated turns on a roller coaster, a power boat ride, or a challenging scuba dive.

She held a strong passion to work hard and excel in what mattered most to her, whether it be fundraising at her children's school, teaching aerobics up and down the East Coast, or her proud legacy as a nurse for 30 years at Johns Hopkins Hospital and University.

Kris touched the lives of so many, and for this we are all the better. We will miss her immensely but hold tight our loving memories.

The family is having a private interment service Monday, April 20th. A Funeral Mass and Celebration of Life will be held when the family can appropriately gather with all their family and friends.

Donations may be made in honor of Kris to Towson University Nursing Scholarship Fund. For mailed donations, please indicate "Nursing Scholarship Fund #35751 in memory of Kris Radebaugh." Mail to: TU Foundation, Inc., PO Box 17165, Baltimore MD, 21297-0219.

To contribute online, please visit <https://towsonuniversity.givingfuel.com/towson-fund>, select "Other Scholarships," "Nursing," and indicate the gift is in memory of Kris Radebaugh.

“ My memory of cousin Christine was from 35-40 years ago. I had begun raising my family in Georgia at a similar time that she was raising her family in Maryland. I was visiting my mother in Wilmington and she brought her family to see us. I will remember Christine as happy, fun loving, and devoted to her family. May God bless her and her family.

*I just found out today she transitioned and it's hard for me to believe. I worked with her in clinical pharmacology at JHH. Oh my heart is so heavy. Praying for the family.*
