“ I have know Cindy since elementary school and through Jr and high schools. We were in many classes together as well as clubs and school activities. We were great friends. She was the kindest and sweetest person I knew. I regret we lost touch in later years but luckily reconnected in the last few years. Cindy, you will be greatly missed. May you rest in peace after the long fight you faught with a terrible disease. My heart and prayers go out to her sister Barb and family. Barbara Clemente Gaylin

“ My high school memories at Perry Hall are all intertwined with my wonderful friendship with Cindy and our Tri-Hi-Y. She was my dear friend. Luckily we reunited for two wonderful reunions in recent years. I will miss her. My heart is full remembering our friendship from many years ago. My sincere sympathy to all her family. She was a fun, kind, interesting friend. Unfortunately, distance will prevent me from attending her service this weekend, but she will be in my thoughts. My condolences.....

“ Meeting Cindy and her family 20 years ago was one of the best parts of my journey to the USA. She was the kindest soul, and her humility always made me feel at ease. I and my family will always cherish the delightful times shared with her. Those precious memories will be treasured in our hearts forever. Peace & Love

“ Cindy and I worked at a CPA firm downtown in the early 80s. We became quick friends. She invited me to become her housemate and we lived together several years until I married. We had a lot of fun during those times. Always enjoyed her Preakness parties. She was a bridesmaid in my wedding. Also a constant in my life as I raised my sons. She enjoyed spending time with me and my granddaughters. She had a gentle, calming way about her. I will not be able to attend the service. My heart goes out to the Metz family as we navigate our life's without her in it. I myself will have a difficult time with this. She has been a constant in my life for so many years. I miss her so much already.

“ I have been friends with Cindy for about 50 years. We had lost touch until about 2 1/2 months ago. We picked up seamlessly when we reunited. My heart is breaking but I cherish the time we talked, texted and visited together. I am consoled because I know she is with our Lord and not in pain or suffering anymore... I am blessed to have been her friend. May perpetual light shine upon you and may you rest in peace. 💕 Debbi B
