“ *I did not know. I just found the article. Kitty was my oldest and dearest friend and knowing she is with Philip and Carter makes my loss lighter. She was The Best always and I will miss her deeply. My love to all of the family. Susan Pollard Triplett. January 13, 2023.*

“ *My deepest sympathy to the family of our Miss Kitty. My daughter, grandson and myself learned to love her as soon as we became her next door neighbors. She was such a lovely lady. I have missed our sidewalk visits since she has been dealing with her illness. May God comfort you knowing that to be absent in the body is to be present with our Lord. Praying for your family during this time of grief.*
