“ Suzanne,

*Nothing is more painful than the loss of a parent. Even though we have lived so many years out of their home, the thought when we do go home that your Mom will not be there is very sad and can make you feel very lonely. Your family, Bob, Brandon, Justin and Katey Taylor will always fill your heart, but they cannot take the place of a mom.*

*I am happy that she now rests in the arms of her creator, her mind at peace, no more pain, only the joys of heaven to be endured. Your Mom will always live on in you, as we find that we are more like our parents than we think. Her winning smile is your winning smile, her love for her family is your love for your family, your sense of humor is her sense of humor and the circle of life continues on.*

*We were fortunate to be able to spend time with your mom at many family gatherings that you and Bob, so graciously, included us. I still have and use often your mom's vinegary, my favorite style, cole slaw recipe. Your mom was always very kind to us and we genuinely enjoyed her company.*

*Although we are sad today, when we see you next we will remember your mum with laughter, the laughter we remember sharing with her.*

*With all of our heart felt sympathy and love on this sad occasion,*

*Kevin and Lisa Goodale*
