“ Dal served in our Boy Scout Troop (475) located in Parkville for many years. He was our Outdoor Chairman and led our scouts on numerous backpacks and canoe trips. He carved many belt buckles and neckerchief slides for our scouts and scout leaders. He was well liked and respected by everyone. When his son Edward moved on from scouting, Dal stayed active with our troop. He attended many camping trips where he would teach his outdoor and carving skills. He was loved and respected by all. Our members will never forget Dal's contributions to our organization. We know he is in Heaven showing others how to do the proper "J" stroke. We will miss you Dal.
