“ Dearest Ginny,

We are so saddened tonight to hear of Dan's passing. Both you and Dan were surrogate grand parents to our boys Will and Ian. Both of you took Melanie and I under your wing upon arriving next door a month before giving birth to our son Will more than 17 years ago. I never lost sleep while away knowing Dan was looking over Melanie and the boys. Whether it be rushing one them to the hospital from a fall out of a crib to catching mice in my house while I was away (he was a great mouse catcher !) Dan was always there when we needed him. As have you. You made Halloween special for the boys, and were the Easter bunny for all these years with your early morning egg hunts on our lawn. You made special efforts to be present for us and all who lived on Wendover Road.

While we are very sad tonight , I know that my friend Dan is in a good place and is looking down on us trying to figure out how he can help us all. I will miss him as will the entire McCreadie family. But we know that he is in peace and that gives us comfort during these next few days.

Our deepest condolences to you, Matt, Will, and David.

Kevin and Melanie
