“ I am sorry to miss the service today as we are out of town. Dave was a friend from grade school days. Vivid memories of my MWCS team taking on the mighty Cathedral Squad of Bart Callanan at Center, Dave at forward, cousin Bobby Lacy and Ricky Kaufman at guard. Our coaches Okey O'Connor and Kay Kasouris were bigger characters than we were. Love to all the family

“ Words cannot express my sadness of the news of David's passing. He was most respected and kind. Nice memories of his encouragement for me to reach for goals I thought were unattainable.

My prayers are with you Jane, Elizabeth and family.

“ *David was a dear colleague for years at PNC. His humor was a welcome relief to the daily grind. A relentless tease if he discovered something that struck a nerve. His impersonations of various PNC personnel were wickedly entertaining. He was a one-of-a-kind and he will be missed.*

Jane, Lizzie and the entire Kennedy family, I am so sorry for your loss.

“ *I am very sorry to hear the news of David's passing. I knew David for many years at FNB. He was always a classy guy. I can still hear his voice. I always respected him and considered him a friend. He was a neighbor for many years in Rodgers Forge.*

Worked with David for the past 15 years at PNC. A true friend and gentleman with great wit and passion for life. So very sorry to hear of his unexpected passing. He will be missed; know that his mark was indelible on all with whom he came in contact.

*To David's family,
I offer my heartfelt sympathy. May your memories of David comfort you. You don't know me because I haven't seen David in over 20 years. I worked with David in FNB's Cash Management Department in the early 1980's. He was smart, witty & always tried to do the right thing—a very caring, compassionate person. David & I lost touch after I left FNB & when my parents died 11 years later, I was stunned when he came to their viewing at Mitchell-Weidefeld—but I shouldn't have been because that was the kind of person David was. Gone too soon. May he rest in peace.*

I am so sorry to hear that David has passed. I have known him since the 1980s working at FNB and later working with him at PNC. I have so many fond memories of the funny and serious times with him. It seems that we always got promoted at the same time and the two of us would go out and celebrate together. Even though in recent years we did not connect very often, when we did have a chance to chat it was like old times. Rest in peace my brother! Jane and Family, you are in my prayers.
