“ I just learned today (9/17/2024) about Dave's death. We were classmates and swimming team members at Loyola College, class of 1963. I also knew his late wife, Bobbie, another swimmer from the Bracken Swimming Dynasty. I had the honor of serving as a groomsman at their wedding. We have stayed sporadically in touch over the years. I had no idea that he had passed. I send my condolences to the family. May he rest in peace.

“ I have known Dave ever since he started at Loyola H. S. in Sept. 1955. He and I lived less than one mile from each other in Towson. We both started Holy Cross together in 1958. In recent years we continued our friendship at Loyola Blakefield activities. We saw each other at the Golden Dons dinner this past May. My sympathy to his family.

i just learned of Dave's passing. My late husband I have known Dave since college. He was a close friend of ours for the last 50 years. We both loved Dave and David was one of the last people to talk to my husband before he died 3 years ago. I have been trying to reach Dave since my husband's death. I just found he died and was devastated by the news,I send my sympathy to his family and will pray for them in their time of sorrow.
