Tribute Wall

“ Have to say...Life has never been anything close to the adventure we shared during our 2 decades together, and I still miss every bit of it - and you - every day. I'm so proud of all that we accomplished together, as a family - especially raising your two amazing children, Drum and Burgess. Although they will probably never know all that I contributed, I have no regrets. My role was always a supporting one..

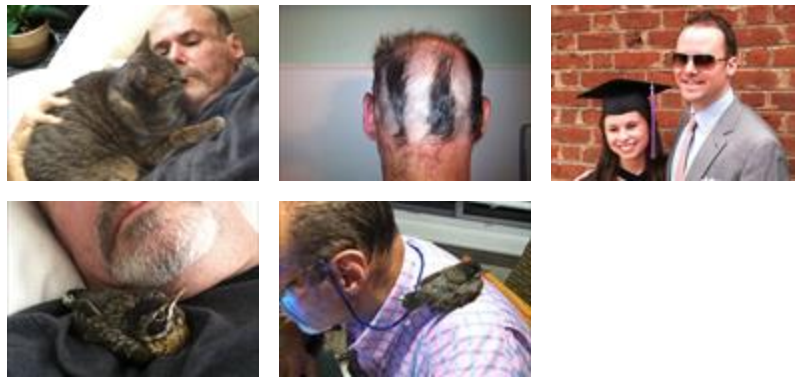

Anyone who knew us, knows how successful we were as a team...and I'm thankful for all of it.

“ *Jeff was my neighbor while we were growing up back in Longford. I will always remember him taking us out to the "butterfly" field , giving us little kids nets and showing us how to catch butterflies, identifying them and then let them free. My most sincere sympathies go out to Bruce, Bud and Jeff's family.*
