“ Nicole, my heart is broken for you and your family.
Debbie and Dave both worked at Retco Engineering with my now
deceased ex husband.
The four of us became the very best of friends. We shared so many
great times together.
Both your Mom and your Dad were in my wedding and you and my
first daughter were both born in 1980.

We moved to Florida in 1988 and did lose touch for many years.
Thanks to you for putting me back in touch with your Mom when I
was able to locate you on Facebook and asked you to tell her I was
trying to get in touch with her.

And when she called me the first time it was as if no time had ever
passed between our last adventures back in Baltimore. We picked
up right where we left off. I will cherish those phone calls we shared
because of you.

Thank you for helping to create those memories for me. I shall
cherish them forever.

Again, I am heartbroken for your loss. I share your pain.
