“ *Dolly was such a special lady. I related this story at the funeral home but I'd like to share it with all who read this page. My Mom's birthday was December 5th. For about 20 years Dolly would show up for just an hour or so and bring my Mom a thoughtful trinket. Could be an ornament, flower, or something hand made. Every year we would wait to see if Dolly came, and every year she did. Thank you special lady, you brought joy and delight to so many, especially Eleanor Moran every December 5th.* ”

“ We are so sorry to learn about Dolly's passing. We remember her smiling face in church, but most especially when we would see her walking in the mall. She always had such a friendly greeting. Our thoughts and prayers are with her family.
