“ Dear Holly and Bob:

We had the pleasure of living next door to your parents for many years. They led a very colorful social life and were always kind to us. After your father passed away, our youngest son, Kenny became very close to your mom. He was often called into duty for miscellaneous chores but most especially to start the lawn mower. Your mom loved to mow the lawn! Kenny was shocked to learn that your mom passed away. All of our adult children, Katie, Eric, and Ken send their sympathies and hopes that your sad hearts heal as time goes on.

Shortly after we left 519 Worcester Road and into our new home we had your mom, Holly, and a few other neighbors over. It was so good to see all of them again.

We just got home from a planned vacation and regret having missed the funeral arrangements. There were countless memories we would have liked to share with both of you. Please accept our family's heartfelt condolences. Life is beautiful and we are confident that your mom enjoyed every moment of hers.

May our dear Lord grant His choicest blessings upon your mom and unite she and your dad once again.

Sincerely,

Mary Carol and Jerry DeVilbiss

“ Dear Bob and Holly,

Our heartfelt condolences to you and your loved ones on the loss of your mom. As neighbors, we know she took great pride in her home, and we often heard her excitably chatting with family and friends in her beautiful garden and saw her dashing off to enjoy her many social events.

All the best,
