“ *Dorothy was a lovely woman whose company I enjoyed very much. I will miss her.*

My grandmother, Olevia King Gulick, was her aunt and Dorothy used to visit us in Elizabeth and stay for a few days. I was very shy as a child.....I remember asking her if she'd like me to sing something and of course she said she would. I stood behind the bedroom door so no one could see me but I'm sure there was no problem in hearing me. I always liked to hear the family stories about people I had never met who lived in another state. I'm glad I have these memories.

“ *To the family of our Aunt Dorothy,
Your Mom was a wonderful lady. We always loved visiting her wherever she lived. For several years now we took my Dad and Mom to visit in the summers when we got back East to see the family. It was so special to always see how close my Mom and Aunt Dorothy were to each other. They were like close sisters since childhood and it continued throughout their whole life. You Mom always had such a good sense of humor which we loved. She really liked to tease.
She had a special place in her heart for our daughter. Colleen.
She will always be remembered and missed.
Love,
Brenda, Jim and Colleen*
