“ To All of The Miller Family:

I am so sad to hear of Janie's passing. Many years had gone by since I had seen her and I am so glad that I had chance to see her once again about 2 years ago with Judy. She looked so great and seemed exactly as I always remembered-very sweet, always with a warm welcome and a big, big smile!

I have such fond memories of neighborhood get togethers and having dinner and visits with Janie and Eddie in Vermont.

How fortunate she was to remain in her home and continue her life til close to the end with all of her friends and family nearby. Janie will always remain in my heart, as will your dad, Eddie - David, Mark and Judy! Truly a unique time in our lives and the ending of a wonderful era full of great times and great folks.

May your own memories of great family times, bring you joy as time goes on! How fortunate you are to have had Janie for so, so many long years!
