“ With his super bright smile and his wonderful kind spirit, my nephew Dustin was taken too soon from this world and his family. I just know those that loved him, and those that worked with him feel this world's light is now a little dimmer, but it's definitely brighter in Heaven! RIP nephew!!!

“ I extend my condolences to my long-time friend from college and the Marine Corps, Delvin Benford, his wife Deborah, and Dustin's mom, family and friends at his sudden and unfortunate passing. I had pleasure of meeting Dustin some years ago in connection with his father. May God bless and comfort you all in the coming days, weeks and years.

“ Dustin was always a jokester but it was awesome having him around, was never a dull moment that's for sure. I will forever remember all our camping trips and how he would be loud and wake everyone up at 6am or the time he went so fast down the hill that it scared the you know what out of us. I couldn't believe the news the day I received a message that Dustin was gone and I still can't believe it now. I am so thankful I was able to let my kiddos know before they saw it on Facebook. Thank you Dustin for being a mentor and big brother to all my kids. All of them looked up to you and loved you to the moon and back!!!! I will forever miss you, until we meet again.
