“ As Kit's friends, we met Edith and her true love, Clark. We joined in family celebrations from Birthday parties to holidays. We shared the Hunt Cup, beach trips and weddings and then some very heartbreaking times. Through it all, the family stood together. We have been privileged to stand with Kit, Mitch and Paul and their families. When we think about how to celebrate your Mother and Grandmother's life, we think of her family. She lived with grace, style and love and that love enveloped her, when she needed you the most.

Now please know we want to support you as you pass through this transition. We all know this is just another step in God's plan, but it feels odd to lose such a lovely person, who was a vital part of this family after all these years.

God Blessed her with a long life and a wonderful loving family. She left the world the best part... her gift is you.

Love to the whole family,
Sharon, Dennis, Shawn and Beth Kennedy
