“ DEAR BINKERT FAMILY,

We just learned of the passing of Mr. Binkert and send our very deepest sympathy to you all.

It is now time to celebrate his life of ~100 wonderful years, plus his extraordinary enthusiasm for life which lives on in each member of the family. So, over 99 years ago and about 8.5 months before Mr. Binkert was born his heart began to beat from the spark of life from his Mother and Father. That same spark, is alive, along with Mrs. Binkert's, and is that very same spark lives on in Sonya and each member of the Binkert family, plus the grandchildren including all further generations.

Always remember, "it is not the years of life but the life in the years"; I believe Mr. Binkert's years were lived to the fullest.

God bless his sole. Lastly, let there be no doubt a new angel arrived in heaven the other day!

Our heart felt deep sympathy for all of your family during this time.

Sincerely,

*Robert J. Buhner, P.E. & Family

“ Thank you very much for the many memories we shared in your "garage / butcher shop" in the mid 60's. I remember, how the health department tried to shut you down with their endless inspections. Thank God your place was always spotless. We will never forget the taste of the "Heimat" you provided for us! Thank You and may you rest in peace. You certainly earned your place in heaven! Learned of your passing after your service, otherwise we certainly would have come to pay our respects. Kurt and Dina Krenzischek (Owings Mills, MD); Ryan Krenzischek (Homestead, FL)

Dear Sonja, I just found out that your beloved father passed away. He will always be remembered for his excellent service to the German community. He was an "Deutscher Meister" indeed. My heartfelt condolences to you and your family.
