“ Dear Eileen,

*I am writing to you through our soul sister spirit. When I first met you in 2003 along with my Mother on our way to Moosonee Ontario and your dear friend Marie there was an immediate "click"! I had met my soul sister! Since then the few visits I had been able to make from Wisconsin back to home in Maryland were always very special and memories cherished forever. You were always an inspiration to me with your love of life, outlook, sense of humor, your whole being. I'm going to miss you but you will always be full of life in my memory and heart.*

*I have shared pictures from our lunch and that wonderful banana split we shared a few years back, and the another picture including my husband Keith who also fell in love with you, who wouldn't?*

*Keith and I send our deepest condolences to the family of Eileen, but wow, how much of a wonderful person she was and such a blessing that she was a part of our life too.*

*Much love,  
Delena and Keith Wirth  
Little Chute, Wisconsin*
